

Adelaide Summer Research Scholarship 2019-20

Up to 60 Summer Research Scholarships are available to continuing undergraduate students who wish to undertake a six week research project at the University of Adelaide over the 2019-20 summer vacation.

Students who have completed at least two years (48 units) of their program, at a standard acceptable level for admission to an Honours program, will be considered in the first instance. **Students should contact their Faculty/School to ensure that an appropriate research project is available.**

In exceptional circumstances students who have completed less than two years of study may be considered.

Students who are in receipt of, or expect to receive any other summer or vacation scholarships over the 2019-20 summer vacation (e.g. National Heart Foundation Summer Scholarship, Cancer Council Vacation scholarships) are not eligible for the Adelaide Summer Research Scholarships unless the other scholarship is for a separate research project.

Each Scholarship provides a living allowance of at least \$200 per week for six weeks.

The Scholarship must be taken up in the year in which it is offered; acceptance of the Scholarship offer cannot be deferred. If a student declines the Scholarship offer, the Scholarship will be offered to the next eligible student.

Students are to submit one application form per project

Applications for this scholarship close 5pm, Friday 20 September 2019.

Please ensure you read through the checklist *before* submitting as only completed applications will be considered.
