

THE BAILLIEU SUPPLEMENTARY RESEARCH SCHOLARSHIPS

Rules

(February 1994; Revised July 2008; Revised February 2014)

Whereas the University has received a sum of money under the provisions of the Repatriation Fund (Baillieu Gift) Act 1937, for the purpose of establishing and maintaining in perpetuity within the University of Adelaide, a scholarship or scholarships, the following rules are hereby made:

1. The scholarships shall be known as 'The Baillieu Supplementary Research Scholarships'.

2. **Value**

One supplementary scholarship shall be awarded annually subject to available funding, and the value of the supplementary scholarship shall be \$10,000 per annum (tax free), or such other sum as the Research and Education Development Committee may from time to time determine, and shall be paid to the scholar as a fortnightly stipend.

3. **Duration**

Each scholarship shall be tenable for three years. Tenure is subject to continued satisfactory progress, determined each year through the Annual Review of Progress.

4. **Eligibility and Awarding**

Australian Citizens, Permanent Residents or New Zealand Citizens who are graduates of the University of Adelaide and commencing a full-time higher degree by research at the University of Adelaide in the areas of Medicine, Law, Commerce, Economics or Architecture, and who are awarded a major scholarship are eligible for consideration.

Currently enrolled students are ineligible for consideration.

All awards shall be made by the Research and Education Development Committee or representative.

The supplementary scholarship will be awarded as part of the Major Round to the highest ranked eligible candidate in one of the above-mentioned disciplines.

If in any year a scholarship is not awarded, such scholarship may be awarded as an additional scholarship in any subsequent year.

5. **Priority Applicants**

Where an eligible applicant is the lineal descendant of an Australian soldier or sailor who died or was blinded or was totally and permanently incapacitated as a result of his service in World War I, preference shall be given to that candidate.

In determining whether an applicant shall be given preference under this clause, the Committee shall be guided by the provisions of the repatriation Fund (Baillieu Gift) Act 1937.

6. **Award Review**

The procedures for assessment of progress for continuing students are to be as practiced for Australian Postgraduate Awards (APAs) and University of Adelaide Scholarships (includes UAS Special Circumstances Scholarship, UAS Indigenous Scholarships and Faculty Divisional Scholarships) as administered within the University.
