

# SafeFish

## Post-graduate Supplementary Grant

A supplementary grant opportunity exists for a passionate post-graduate student undertaking a research project relevant to food safety or market access of Australian seafood

Grants of **\$10,000\*** per annum

*\*Indexed annually and available for one to three years duration*

**For more information and to receive an application forms, please contact:**

[info@safefish.com.au](mailto:info@safefish.com.au)

## Selection criteria

1. The applicant must be an Australian Citizen or Australian Permanent Resident post-graduate research student at an Australian University, and must reside in Australia for the period of their research candidature
2. The project must focus on a priority (as recognised by SafeFish) food safety or market access related issue for seafood in/from Australia
3. The applicant accepts the grant conditions
4. The project is sound and represents either a significant improvement in knowledge of the issue; or enables change in practice that will assist in resolution of the issue
5. The purpose for which the funds will be used is justifiable and will make a difference to the project
6. Extension/communication of results/outputs is clearly stated and appropriate

**Apply now**

Applications close **1<sup>st</sup> March 2024**
