This form is for use in conjunction with applications for: **The John Crampton Travelling Scholarship**

While applicants have the right to choose their own referees, careful selection of referees is advised.

In the case of Honours students or recent graduates, it is recommended that:

- One referee should preferably be the supervisor of the Honours (or equivalent) program in which the applicant is/was enrolled; and
- The second referee may be another member of staff in the department who is familiar with the applicant's academic performance and/or honours or other research work, or the applicant's prospective postgraduate supervisor if he/she has sufficient knowledge of the applicant.

If this is not possible, applicants are advised to confirm the most suitable referees with the Adelaide Graduate Centre.

Please complete your name then forward the form to your referee.

Your referee must submit the confidential referee report form directly to the Adelaide Graduate Centre by the due date, 30 September 2019.
